Why should you attend?

PURSUIT CONNECTS is an epic career conference for high school sophomores. The goal is to explore the success mindsets, rather than just the skill sets, that lead to inspired careers in tomorrow's workplace.

You will ...

- Have fun.
- Discover the secrets of a success mindset.
- Get a glimpse into career paths that may interest you.
- Connect with enthusiastic locals who are committed to your success.

We will host 2,000 sophomores from Central Oregon at the conference.

You are automatically part of the conference unless you choose to "opt-out". The school shall provide any student who does not participate with supervised study time while other students attend the conference.

Attached is an "opt-out" form. If you choose not to participate, your parents or guardian must sign and return it to school either by email or hand delivery to the office manager by February 20, 2020.

Be part of the magic.
